**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §§ 1.56 and 1.97**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing and prosecution of the above-identified application that are or might be related to patentability of the claimed invention, Attorneys for Applicants hereby invite the Examiner's attention to references **AA-CX**, which are listed on the accompanying revised Form PTO-1449 entitled "List of References Cited By Applicant."

The above-identified application is a divisional application of U.S. Patent Application No. 10/085,999, filed February 27, 2002. References **AA-CX** are of record in U.S. Patent Application No. 10/085,999. Therefore, pursuant to 37 C.F.R. §1.98(d), copies of these references are not submitted herewith. However, copies of these references will be made available to the Examiner upon request.

Identification of the listed references is not to be construed as an admission that such references are available as "prior art" against the subject application.

Applicants respectfully request that the Examiner review references AA-CX identified on the attached Form PTO-1449 and make them of record in the file history of the above-identified application by initializing the attached Form PTO-1449.

Pursuant to 37 C.F.R. § 1.97(b)(3), since this Information Disclosure Statement is being submitted before the mailing of a first Office action on the merits, no fee is believed to be due. However, should the Patent and Trademark Office determine that a fee is required, please charge the required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this document is enclosed for accounting purposes.

Date December 8, 2003

Respectfully submitted,

*Anthony M. Insogna, Reg. No. 35,203*
